South Kanara Collector's Office,
Mangalore, dated 13th June 1935.

From

E. M. Gawne, Esq, I.C.S.,
Collector of South Kanara

To

The Secretary to the Board,
Land Revenue & Settlement.
Madras.

S i r,

Allowances--tasdik--assignment of Land Revenue--Karkal Taluk Yellare Janardhana Dev--payment--sanction requested.

I request that sanction may be obtained for the payment of the Tasdik due to the Yellare Janardhana Dev. a Hindu temple in Karkal Taluk.

2. The temple was receiving till 1930 an annual tasdik of Rs.220, by the assignment of Land Revenue from Muli Warg No. 1 of Bellampalli village of the Udipi Taluk. In 1930, it was reported that the building of the institution had fallen into disrepair and that services were not being regularly performed and that, in spite of a notice issued by the Tahsildar, the Trustee had not taken any steps to set matters right. On receipt of this report, the Collector (Mr.Wells) ordered on 15th December 1930 that a notice should at once be issued to the trustee giving him one year's time to repair the institution and to ensure the regular performance of services, and he also directed that, in the meanwhile pending a further consideration after one year of the question of resumption of the tasdik, the full assessment should be collected from the registered holder of Muli warg No. 1 of Bellampalli and held in deposit.

3. Mr. Wells appears to have passed this order, intending that

the tasdik should not be merged in the Land Revenue collections of Bellampalli at once but that it should be held in deposit, as a separate item under consideration, until it could be seen whether the trustee would awake to a realisation of his duties, after the notice ordered to be issued by Mr. Wells had been served on the trustee. The title deed was not recalled by him and the sanction required by P.S.O.54-4(b) was not sought, as he did not consider that the order issued by him would amount to resumption of a religious inam. On the strength of the order passed by him, however, the item relating to the institution was eliminated from the remission statement of Bellampalli village and the assessment added to the Land Revenue Demand, at the Jamabandy of the Udipi Taluk for fasli 1340 and 1341. so that the tasdik is now merged in the general land revenue collections of the taluk.

5. It is now reported that the institution has been repaired and that it is in good condition, services being also regularly performed. The tasdik due to the institution has not been paid from 1342(that for fasli 1340 and 1341 having been credited to the Hindu Religious Endowments Board under section 70 (3) of the Hindu Religious Endowments Act 1926, Madras Act II of 1927). The institution has not been struck off the accounts nor the title deed cancelled but as a regrant of tasdik to the institution now may--in spite of the intention behind the order of 1930--be construed to amount to a realienation of land revenue, I request that sanction may, if considered necessary, be obtained from Government, so that I may be enabled to order the payment of the tasdik to the institution again from fasli 1344.

as amended by Act XIV of 1931 onwards

Your obedient servant,

Collector.

The letter from the Collector of South Kanara is forwarded for orders

2 Mr Wells's order of 1930 does not amount to an order of resumption and the payments of the allowance does not amount to a new alienation of land revenue requiring the sanction of the Govt. It is suggested that the Board itself may sanction the payment of the allowance from the current fasli as proposed by the Collector
